

AGENDA ITEM #6: ALLOCATING RSTP RESERVE FUNDS

As a result of excess RSTP funding on a completed project being returned to the HRTPO RSTP Reserve Account, there is currently \$674,656 in FY 2012 funds available to allocate to a current RSTP project. The funds may be allocated to cover a cost overrun or to possibly advance a project or phase that is ready to proceed but waiting for needed funding.

Mr. Mike Kimbrel, HRTPO Principal Transportation Engineer, will brief the TPS on this item.

RECOMMENDED ACTION:

Review current RSTP projects and notify Mike Kimbrel, mkimbrel@hrtpo.org, by Friday, August 4, 2017, of any projects that could benefit by allocation of all or part of the available FY 2012 funding.
